Product Description

Altoz XP 610 HDi Zero Turn Mower

The Altoz XP is an unmatched combination of a reliable and efficient engine, commercial Hydro-Gear transmission, and 24" tires that make this a workhorse commercial zero turn mower that maximizes your ROI.

From your first look, it's clear that the Altoz XP HD series is a radically different mower built to perform. Engineered especially for people who rely on their equipment to deliver nothing less than perfection. Finally, you can get the precision you need to produce the results pros as you count on.

The large cutting deck features heat-dissipating aluminum spindle housings that cut more in less time and delivers extreme strength and durability for all-day use. A variety of Altoz accessories complement the Aero Deck including lawn striping kits, operator-controlled discharge covers, mulching blades, and large collection systems for easy spring and fall clean-ups.

A suspension seat with 12-way adjustments, lumbar support, and armrests keep you comfortable all day, every day. While a 12-volt power outlet, storage compartment, and cup holder make sure you are set up for success.

Best Use

- **Commercial Landscaping** - Designed for professional crews handling daily mowing tasks across multiple properties.
- **Large Property Maintenance** - 61" cutting deck helps maximize efficiency on wide open lawns and commercial spaces.
- **All-Day Mowing Operations** - Built for operators who rely on dependable equipment for long work hours.
- **Professional Lawn Care Results** - Engineered for precision mowing and consistent cutting performance.
