Product Description

Scag 36" SW Belt Drive Walk-Behind Mower

Simple-to-maintain belt-drive design and five-speed transmission make the SW Walk-Behind easy to service and operate. Economical, durable, and productive, the SW provides years of dependable operation and an outstanding return on investment.

Features

- **36" Advantage Fixed Deck** - Compact fabricated deck designed for durability, precision, and efficient cutting in tight areas.
- **Belt-Drive System** - Simple-to-maintain design that supports long-term reliability and reduced service complexity.
- **Five-Speed Transmission** - Offers flexible ground speed control for improved productivity and operator efficiency.
- **14 HP Engine (481FS)** - Gas-powered engine delivers dependable performance for residential and commercial mowing tasks.
- **Commercial-Grade Walk-Behind Build** - Engineered for durability and consistent daily use in demanding environments.
- **Economical Operation Design** - Built to provide strong performance while supporting a high return on investment.

Best Use

- **Small to Medium Commercial Properties** - Ideal for contractors needing precision mowing in tighter areas.
- **Residential Lawn Care Services** - Great for maintaining customer yards with consistent, clean results.
- **Fence Lines and Tight Spaces** - 36" deck allows easy access where larger mowers cannot operate efficiently.
