Product Description

Scag 48" SW Belt Drive Walk-Behind Mower

Simple-to-maintain belt-drive design and five-speed transmission make the SW Walk-Behind easy to service and operate. Economical, durable, and productive, the SW provides years of dependable operation and an outstanding return on investment.

Features

- **48" Fixed Velocity Plus Deck** - Durable deck delivers consistent, professional-quality cutting performance.
- **481FS Engine** - 14 HP engine provides reliable commercial power for walk-behind mowing.
- **Belt-Drive System** - Simple-to-maintain design ensures easy servicing and long-lasting operation.
- **Five-Speed Transmission** - Offers versatility and control over mowing speed for various conditions.
- **Commercial-Grade Construction** - Built for durability and dependable performance in professional settings.
- **Gas-Powered Engine** - Reliable fuel source for extended mowing sessions.
- **Efficient and Economical** - Designed to maximize productivity while minimizing maintenance costs.

Best Use

- **Commercial Lawn Care** - Ideal for landscapers managing medium to large properties.
- **Medium Lawns and Open Areas** - 48" deck covers ground efficiently for faster mowing.
- **Operators Needing Durability** - Belt-drive system and robust construction ensure long-lasting performance.
- **Precision Walk-Behind Mowing** - Great for areas where ride-on mowers cannot reach.
