Product Description

Ferris FW45 - 28hp Vanguard 810cc EFI OGS V-Twin w/ 52" Deck - Walk Behind Mower

Fuel-Efficient Wide Area Commercial Mowers Built for Comfort & Control

The FW45 is engineered for performance, productivity, and comfort. The three available deck sizes allow for maneuverability while engine options provide the power a commercial walk mower needs. Pairing comfort features like ergonomically designed controls with easy maintenance and durability mean the FW45 can handle whatever is thrown at it.

Key Features

- **52" Cutting Deck** - Wide-area deck designed for efficient commercial mowing with excellent cut quality.
- **810cc Vanguard EFI Engine** - Gas-powered V-Twin engine delivering 28 HP for reliable commercial performance.
- **Hydro Walk-Behind Drive** - Smooth, responsive control for maneuverability and precision during extended use.
- **Ergonomic Pistol Grip Controls** - Comfort-focused design allowing easy operation and reduced operator fatigue.

Best Use

- **Commercial Lawn Care** - Ideal for landscapers managing large properties with walk-behind requirements.
- **Medium to Large Turf Areas** - 52" deck provides efficient coverage for parks, campuses, and commercial grounds.
- **Precision Mowing** - Perfect for operators needing maneuverability around obstacles and tight spaces.
- **Professional Maintenance** - Designed for contractors who demand power, comfort, and durability in a walk-behind mower.
