Product Description

Ferris FW45 - Electric Start w/ 52" Deck - CC Control - Walk Behind Mower - 5902015

Fuel-Efficient Wide Area Commercial Mowers Built for Comfort & Control

The FW45 is engineered for performance, productivity, and comfort. The three available deck sizes allow for maneuverability while engine options provide the power a commercial walk mower needs. Pairing comfort features like ergonomically designed controls with easy maintenance and durability mean the FW45 can handle whatever is thrown at it.

Features

- **52" Cutting Deck** - Wide deck provides efficient coverage for commercial walk-behind mowing.
- **Kawasaki FX651V Engine** - 20.5 HP engine delivers reliable power for demanding mowing tasks.
- **CC™ Centralized Control** - Ergonomically designed controls enhance operator comfort and precision.
- **Fuel-Efficient Design** - Optimized engine performance reduces fuel consumption during extended use.

Best Use

- **Commercial Lawn Care** - Perfect for professional landscapers managing multiple properties.
- **Medium to Large Lawns** - 52" deck improves efficiency while maintaining precision.
- **Tight or Hard-to-Reach Areas** - Walk-behind design allows access where ride-on mowers cannot.
- **Operators Seeking Comfort** - Centralized controls and ergonomic design reduce operator fatigue.

Commercial 52 Inch Walk-Behind Mower with Kawasaki Engine

The Ferris FW45 Walk-Behind Mower 5902015 delivers dependable performance with its 20.5 HP Kawasaki FX651V engine, 52-inch cutting deck, and CC™ centralized controls. This [professional walk-behind mower](#) is designed for landscapers who need comfort, precision, and efficiency across various mowing conditions.
