Product Description

Ironcraft SGM5 - 60" Finish Mower

These Grooming / Finishing Mowers provide superior cutting quality for turf surfaces and well-maintained lawns. They will easily meet the needs of golf courses, large estate owners, municipalities, ranchers, or commercial mowing and landscape operations. These mowers are available in widths ranging from 48" to 84", set up for a Category 1 three-point hitch, and work with tractors ranging from 20 to 60 hp.
