Product Description

The **Massey Ferguson MF 1840EH Premium Compact Tractor** is built for hardworking landowners who expect performance, versatility, and lasting value. Whether you're tending acreage, clearing brush, or hauling gravel, the MF 1840EH is ready for the task.

With the strength of the **1800 E Series** behind it, this model delivers the right balance of power and simplicity — without overcomplicating your day-to-day jobs. Its **39.4 HP engine**, durable **3-Range Hydrostatic transmission**, and open station design offer comfort, performance, and visibility when it matters most.

Looking for a tractor that's both **economical and hardworking**? The MF 1840EH is a smart investment with **premium specs** at a practical price — perfect for homeowners, hobby farmers, and rural property owners in North Alabama.
