### **Product Description**

## **DR Power XD30 Walk Behind Field and Brush Mower**

The XD30 is our top-of-the-line commercial mower, featuring 30" cut and independent hydrostatic wheel drives for ease of handling. The electric-starting Kawasaki engine has a 3-year commercial warranty.

XD Commercial Series: 30" Cut & Kawasaki Engine

Our XD Series Field and Brush Mowers are built for the demands of commercial use: frequent use, long runtimes, daily transport, and ease of maintenance.

The XD30 cuts 30" wide and features a robust Kawasaki FS600V electric-starting engine. Independent hydrostatic wheel drives ensure ease of handling without fatigue. Built-in hand guards protect the operator while mowing brush.

Transport is simplified with integrated tie-down hooks that make trailering fast and easy.
