Product Description

Ferris 500S - 23 hp B&S Commercial Series w/ 48" Deck - Zero Turn Mower

ESSENTIAL PRODUCTIVITY

The Ferris 500S zero-turn mower is packed with essential features to deliver reliable productivity and performance. The differentiating 4 point suspension saves your body from the pains of continuous mowing. Plus, commercial-like performance and extras like the LED headlight make for a confident mowing experience season after season.

Why Choose the Ferris 500S

- **Briggs & Stratton Commercial Series Engine (CXi)** - Reliable, consistent residential-grade power
- **48" Cutting Deck** - Ideal balance of maneuverability and productivity
- **Patented 4-Point Suspension System** - Reduces operator fatigue for a smoother ride
- **Zero-Turn Maneuverability** - Trim tightly around obstacles and landscaping
- **LED Headlight** - Improved visibility in low-light conditions
- **Comfort-Focused Design** - Designed to reduce the physical strain of mowing

Best For

- Residential property owners
- Large home lawns
- Estate properties
- Homeowners seeking comfort-focused mowing

- Users upgrading from traditional lawn tractors

Essential Productivity. Superior Comfort.

The Ferris 500S delivers commercial-inspired performance in a residential package. Its signature 4-point suspension system absorbs bumps and uneven terrain, helping reduce fatigue and improve mowing comfort. Paired with a powerful Briggs & Stratton CXi engine and a 48" deck, the 500S provides dependable cutting performance with smooth handling.
