Product Description

Ferris SRS Z3X - 37hp Vanguard BIG BLOCK EFI OGS w/ 52" Deck Soft Ride - Stand-On Mower - 5902123

SUPERIOR TRACTION WITH STAND-OUT PERFORMANCE

Built to deliver superior traction and performance, the SRS™ Z3X raises the bar for stand-on productivity. With 52", 61" and 72" deck options, the Z3X increases productivity without sacrificing the [trusted Ferris](#) cut quality. A pivoting front axle allows the Z3X to grip on steep inclines, meaning you can mow safer and more efficiently on even the most difficult yards.

Features

- **52" Cutting Deck** - Wide deck size increases productivity while maintaining precise, consistent cutting performance.
- **37 HP Vanguard® BIG BLOCK EFI Engine** - High-horsepower gas engine delivers strong, fuel-efficient power for demanding commercial workloads.
- **Soft Ride Stand-On Platform** - Suspension technology enhances operator comfort and reduces fatigue during long mowing hours.
- **Pivoting Front Axle** - Improves traction and stability on steep inclines and uneven terrain.
- **Electronic Fuel Injection (EFI)** - Provides reliable starting and optimized fuel efficiency across varying conditions.
- **Commercial Stand-On Design** - Built for professional landscapers requiring durability, maneuverability, and high output.
- **Enhanced Traction System** - Designed to maintain control and performance on challenging job sites.

Best Use

- **Commercial Landscaping Crews** - Ideal for professionals managing large properties and demanding mowing schedules.
- **Steep and Uneven Terrain** - Pivoting front axle and traction system support safer operation on hills and slopes.
- **High-Productivity Mowing** - 52" deck allows faster coverage for large-scale lawn maintenance.
- **All-Day Operation** - Soft Ride platform improves comfort for extended use in commercial environments.
- **Professional Property Maintenance** - Designed for consistent, high-quality results across residential and commercial sites.

Commercial Stand-On Mower with EFI Power and Suspension Comfort

The Ferris SRS Z3X Stand-On Mower delivers high-performance mowing with a 52" deck, 37 HP Vanguard® BIG BLOCK EFI engine, and Soft Ride suspension platform for enhanced comfort and control. This [reliable stand on mower](#) is built for professionals who need superior traction, productivity, and durability in challenging commercial environments.
