Product Description

Kress Commercial 60V 8" Lawn Edger- Tool Only

The first truly commercial solution in a cordless edger for commercial application. The Kress edger eliminates any need for gas. With the 8 MINUTE CyberSystem revolutionary battery and charging system, there are no concerns about being short on power for those large properties with extensive amounts of edging. The Kress-built brushless motor provides exceptional power for the most difficult edging applications. The aluminum blade guard combined with a steel protective skid and IPX4 waterproofing will address any issue encountered in everyday landscaping.
