Product Description

Kress 20V 5" Brushless Pruning Saw - KG343

The Kress 20 V 5in Pruning Saw is designed to meet the ergonomic, performance and durability needs of landscape maintenance professionals.

- Kress-built brushless motor delivers more power, longer runtime and extended lifespan compared to brushed motors
 - Powerful, compact, and versatile saw for pruning, trimming, delimbing, and bucking
 - Up to 32.8 ft/s high-speed chain, ensures higher cutting efficiency for fast and smooth cutting
 - Intelligent-lubrication during operation according to different diameter of the branch for more eco-friendly
 - Upper safety guard protecting user from the kickback and touch the chain
 - Tool-less chain replacement system helps to easily change chain with just a bottom
 - Corded power without a cord. Kress KrossPack battery is interchangeable with all 20V & 40V Kress tools.
-
