Product Description

Blue Diamond Attachments - 60" Standard Flow Closed Front Brush Cutter

The Blue Diamond® Extreme Duty Closed Front Brush Cutter is the most versatile skid steer brush cutter on the market. This attachment cuts grass like a lawn mower and still can cut 5" trees!! Why buy a brush cutter that limits you to one or the other? Very few brush cutters, if any, are able to perform in such a variety of applications like the Blue Diamond® Extreme Duty Brush Cutters can! Rental Recommended.

- No case drain needed on low flow units
 - New faster acting external cross port relief and brake
 - New longer lasting stamped blades
 - Available in low or high flow
-
