Product Description

Ferris ISX3300 - 40hp Vanguard BIG BLOCK EFI ETC OGS w/ 72" Deck & Sus. Seat - Zero Turn Mower - 5902145

THE LEADER IN SUSPENSION TECHNOLOGY FOR TURF

Featuring next-generation suspension technology - ForeFront™ Suspension, a redesigned 2-belt iCD™ + cutting system, heavy-duty dual commercial Hydro-Gear® ZT-5400 drive system, and travel speeds up to 12 mph. Plus, select models feature EFI-ETC technology for fuel savings, easy starting, and smooth, consistent productivity.

Key Features of the Ferris ISX3300 72" Zero Turn Mower

- **40 HP Vanguard BIG BLOCK EFI Engine** - Best for large commercial mowing operations where high horsepower and fuel efficiency are required for long workdays.
- **72" iCD™ + Cutting System** - Ideal for wide-area mowing such as parks, sports fields, estates, and large commercial properties where productivity matters.
- **ForeFront™ Suspension Technology** - Perfect for rough or uneven terrain to improve comfort, traction, and cut quality while reducing operator fatigue.
- **Hydro-Gear® ZT-5400 Commercial Transmissions** - Designed for heavy-duty commercial use that demands reliable power and durability in demanding conditions.
- **Travel Speeds up to 12 MPH** - Best for maximizing productivity when maintaining large

landscapes or high-volume mowing routes.

Built to handle demanding mowing schedules, this [commercial zero turn mower](#) offers speed, precision, and operator comfort for all-day productivity. If you're looking for a powerful and reliable zero turn mower to upgrade your fleet, [contact us today or explore financing options](#) to get the right machine for your business.
