Product Description

Scag Cheetah II 72" Zero Turn Mower

In your world, it pays to become more swift, agile, and powerful. Make it a reality with the quick and precise Cheetah II™, a machine that devours jobs at a pace you've only dreamed of while delivering an unmatched quality-of-cut and incredibly smooth ride. With the Cheetah II, you'll never be caught from behind.

Features

- **72" Velocity Plus Deck** - Large fabricated deck designed for maximum cutting width and high-quality, even discharge performance.
- **Kawasaki® FX1000 EFI Engine** - 38 horsepower engine with electronic fuel injection delivers powerful, consistent performance for commercial workloads.
- **High-Speed Zero-Turn Performance** - Built for fast mowing speeds while maintaining precision and cut quality.
- **Commercial-Grade Construction** - Durable design supports heavy daily use in demanding landscaping environments.
- **Precision Handling System** - Zero-turn maneuverability allows tight turns and efficient navigation around obstacles.
- **Smooth Ride Quality** - Engineered for operator comfort during long hours of mowing.
- **Professional Cutting Performance** - Designed to deliver consistent, high-quality results across large properties.

Best Use

- **Large Property Maintenance** - 72" deck maximizes productivity on expansive lawns and commercial sites.
- **Commercial Landscaping Crews** - Ideal for professionals needing speed, power, and efficiency in

daily operations.

- **High-Speed Mowing Applications** - Designed for operators looking to complete jobs quickly without sacrificing cut quality.
- **Open Terrain Work** - Performs best on wide, open areas where full deck capacity can be utilized.
- **Professional Lawn Care Services** - Built for consistent, repeatable results across multiple job sites.

High-Performance 72-Inch Zero Turn Mower for Commercial Use
