Product Description

Scag 52" SWZT Hydro-Drive Walk-Behind Mower

Get more jobs done from dawn to dusk in more comfort than ever before with the SWZT, featuring ultra-comfortable, ergonomic controls that contour to your hands. Equipped with our legendary toughness and durability, it is packed with features that deliver incredible power, smooth operation, and a long lifespan.

Features

- **52" Floating Cutting Deck** - Provides a consistent, professional-quality cut while adapting to uneven terrain.
- **20 HP CXi Series Engine** - Delivers reliable power for demanding commercial mowing applications.
- **Hydro-Drive Transmission** - Ensures smooth, responsive operation for improved control and efficiency.
- **Ergonomic Control System** - Designed for all-day comfort with controls that contour naturally to the operator's hands.
- **Heavy-Duty Commercial Build** - Engineered for durability and long lifespan in high-use environments.
- **Floating Deck Design** - Enhances cutting performance across varying lawn conditions.
- **Gas-Powered Performance** - Provides dependable operation for extended mowing sessions.

Best Use

- **Commercial Landscaping Crews** - Ideal for professionals handling multiple properties and daily mowing routes.
- **Medium to Large Properties** - 52" deck improves efficiency and reduces mowing time.
- **Uneven Terrain Mowing** - Floating deck helps maintain cut quality on rough or sloped areas.
- **All-Day Operation Jobs** - Built for extended use with operator comfort and durability in mind.
- **Routine Lawn Maintenance** - Supports consistent upkeep and aligns with **mower maintenance tips** for long-term performance.
