Product Description

Ferris 300R - 23 hp Briggs & Stratton PXi Series w/ 42" Deck - 5902204

Now in a compact footprint, the 300R delivers a premium, commercially-inspired platform combined with a more attractive price point, never before seen through Ferris. As expected with Ferris mowers, the 300S features our patented suspension technology, serving up speed, a quality cut, comfort, and durability. The 300S is available in three deck sizes.

Features

- **42" Cutting Deck** - Mid-sized 42-inch mower deck designed for efficient residential lawn coverage and balanced maneuverability.
- **Briggs & Stratton PXi 724cc Engine** - 23 hp gas engine delivers reliable starting power and consistent mowing performance.
- **Commercial-Inspired Platform** - Built with a premium design approach that brings professional-grade feel into a residential mower.
- **Compact Zero-Turn Design** - Smaller footprint improves maneuverability around landscaping, trees, and tight residential areas.
- **Ferris Build Quality** - Engineered for durability and long-term residential use with a focus on cutting consistency.

Best Use

- **Residential Lawn Care** - Ideal for homeowners who want a dependable and efficient mowing solution for weekly maintenance.
- **Medium-Sized Yards** - 42-inch deck provides a strong balance between coverage and maneuverability.

- **Obstacle-Dense Properties** – Perfect for navigating gardens, trees, and tight landscaping layouts.

Ferris Compact Residential Zero-Turn Mower with Suspension-Inspired Performance
