Product Description

Ferris 300R - 21.5 hp Kawasaki w/ 42" Deck - 5902205

Now in a compact footprint, the 300R delivers a premium, commercially-inspired platform combined with a more attractive price point, never before seen through Ferris. As expected with Ferris mowers, the 300R features our patented suspension technology, serving up speed, a quality cut, comfort, and durability. The 300S is available in three deck sizes.

Features

- **21.5 HP Kawasaki Engine** - Delivers reliable gas-powered performance for efficient residential mowing.
- **42" Cutting Deck** - Provides excellent maneuverability and efficient cutting for small to medium-sized properties.
- **Patented Suspension Technology** - Enhances operator comfort while helping maintain a quality cut across varying terrain.
- **Commercially Inspired Platform** - Brings commercial-style durability and performance to a residential zero-turn mower.
- **Compact Zero-Turn Design** - Offers excellent maneuverability for navigating around trees, landscaping, and tight spaces.
- **Durable Construction** - Built to provide long-lasting performance for routine residential lawn maintenance.

Best Use

- **Residential Lawn Care** - Ideal for homeowners seeking professional-inspired performance with everyday comfort.

- **Properties with Obstacles** - The compact zero-turn design makes it easy to mow around landscaping and other yard features.
- **Consistent Lawn Maintenance** - Helps homeowners achieve a healthier, better-looking yard while following the [importance of quality lawn](#) practices.
- **Routine Equipment Service** - Regular maintenance helps extend mower life, and having a trusted [mower repair shop near Tennessee](#) can keep your equipment operating at its best.
