Product Description

Ariens IKON 52" Zero Turn Mower - 918005

Features

- **52" ENVY™ ELITE Cutting System Deck** - 52-inch, 11-gauge fabricated deck with 4 1/2-inch depth designed for improved airflow and efficient grass discharge.
- **Kawasaki® FR691V Engine** - 23 hp / 726cc twin-cylinder gas engine delivers dependable residential mowing power and smooth operation.
- **High-Back Comfort Seat** - Tall, wide seat with enhanced back support, elevated base, and molded armrests for improved operator comfort.
- **Standard Foot-Operated Deck Lift Assist** - Allows easier and more convenient deck height adjustments during mowing.
- **Heavy-Duty Fabricated Steel Deck Construction** - Built for long-term durability and consistent cutting performance in residential use.
- **Wide 52" Cutting Width** - Reduces mowing time by covering more ground with each pass, ideal for larger lawns.

Best Use

- **Large Residential Properties** - 52-inch deck is ideal for homeowners managing wide, open lawn areas.
- **Efficient Weekly Lawn Maintenance** - Designed to reduce mowing time while maintaining a clean, even cut.
- **Comfort-Oriented Operation** - High-back seat supports longer mowing sessions with reduced fatigue.
- **Ariens Residential Zero-Turn Ownership** - A strong fit for users seeking durable and [reliable equipment from Ariens](#) for home use.
