Product Description

Atlas Agri X 4 - 48" Standard-Duty Rotary Cutter

The ATLAS Agri "X" Rotary Cutter features a one-piece deck folded to enhance side strength, complemented by added underneath skids for durability. It boasts a powder coat paint finish for lasting resilience. Equipped with a stump jumper and adjustable tailwheel, this cutter ensures efficient operation even in challenging terrain. Its deck includes a convenient hole for easy blade replacement. With two braces to the rear featuring a built-in flex point, it offers stability and flexibility during operation. Available in cutting widths of 4', 5', and 6', the ATLAS Agri "X" Rotary Cutter delivers reliable performance tailored to varying needs.
