Product Description

TFX 766 All-Terrain Zero Turn Mower

The TFX features a compact body style that enables the mower to get closer and underneath obstacles. With its high-visibility color for safety and its rugged design, the TFX is made for solar fields, retention ponds and all municipal and utility sites where performance and safety matter most.

Tri-Axis™ Front Suspension

The new industry-first ultra-rugged Tri-Axis™ front suspension delivers a smooth ride and exceptional operator comfort. It features an adjustable coil spring over oil shock and three independent pivot points on each side, allowing the front wheels to float while maintaining stability on uneven terrain.
